Introduction

Finewell Universal Limited is an innovative manufacturer and exporter of toys and in premium Hong Kong. Throughout our continual developments for over 20 years, we specialized in development of small capsule toys, premium/novelty toys and pvc animals toys. We have own production lines and factories in mainland China, which provide our products at competitive price with high quality.

We welcome your innovative ideas & OEM projects and we will take care of therest, from developing hand samples to the final production.

Our website www.fultoys.com is full of our new and hot products, it is always updated frequently.

If you find our products suitable for your selling range. Come to visit our showrooms and you may see more items then to create your own collection. We must provide you an excellent service.
